CREDIT AGREEMENT

1. A New Account Application and Credit Agreement Form must be completed and signed by applicant before credit is extended.
2. Credit approved applications will be on a 30 day billing cycle. After 30 days the outstanding balance is subject to a finance charge of 1½% monthly (APR 18%).
3. Load-to-Load application: Last delivery must be paid before 30 days. *All rental units will be on a load-to-load plan.*
4. C.O.D. (Cash On Delivery) application: This payment type may be imposed if sufficient credit approval is unavailable or if outstanding delinquent balances require such action.
5. Budget application: A budget payment plan is available to all approved credit applicants on an equal 10-month payment schedule (September thru June). Payments are due by the 10th of each budget month.
6. Delinquent payments: If an account becomes delinquent in payment, fuel oil deliveries will be postponed until the account is brought current.

DELIVERY POLICY

Automatic Delivery

1. An automatic degree-day plan, well established in our industry, is widely used. We will make regular deliveries regulated on the outside temperature. Deliveries will be made in the 200 gallon range for a 275 gallon tank.

Will Call Delivery

2. On "will call" service, a 2 day notice must be given and must take a minimum delivery of 150 gallons or a delivery charge will be imposed. If any after-hour delivery is necessary, you will be billed an "after-hours delivery charge".

C.O.D. Delivery

3. Any C.O.D. accounts will be collected before delivery is made. If out of fuel oil and furnace must be started, you will be charged accordingly at the time of service.
